## ORIGINAL STUDIES

<i>Hospital accreditation and patient care, a dilemma?</i> Yves Fortems <i>et al.</i> . . . . .	205
<i>Ambulatory hand emergency: 2 years-experience in an public university hospital center.</i> Alice Carricaburru <i>et al.</i> . . . . .	211
<i>The demographics and outcomes in patients with bilateral distal radius fractures.</i> Matthew Gonzalez <i>et al.</i> . . . . .	219
<i>Is it really safe to evaluate symptomatic extensor carpi ulnaris tendon instability by magnetic resonance imaging (MRI)?</i> Tahir Öztürk <i>et al.</i> . . . . .	227
<i>Radiological and functional outcomes of modified Metaizeau technique in displaced radial neck fractures.</i> Ökkeş Bilal <i>et al.</i> . . . . .	235
<i>Big and deep seated lipomatous tumours in children : results of surgical treatment.</i> Emin Özkul <i>et al.</i> . . . . .	243
<i>Genu valgum deformity – correction by a wedgeless implantless femoral “V” osteotomy.</i> Amrit Goyal <i>et al.</i> . . . . .	247
<i>Complication rate after scoliosis surgery in children with cerebral palsy.</i> Elke Vandendriessche <i>et al.</i> . . . . .	255
<i>Transient synovitis of the hip : is systematic radiological screening necessary for the detection of Perthes disease?</i> Charles Edouard Heylen <i>et al.</i> . . . . .	263
<i>Acetabular distraction hip arthroplasty in neglected transverse and T-shape acetabular fractures : a different application.</i> Ayman Abdelaziz Bassiony <i>et al.</i> . . . . .	269
<i>Analysis of morphological parameters in pelvic radiography and hip MRI : a practical reporting recommendation.</i> Esin Derin Cicek <i>et al.</i> . . . . .	275
<i>Optimal ilio-sacral screw trajectory in paediatric patients : a computed tomography study.</i> Mathilde Gaume <i>et al.</i> . . . . .	285
<i>Cementation of proximal femoral nails of the very elderly subject in per-trochanteric fractures.</i> Sorya Plang <i>et al.</i> . . . . .	293
<i>Occult periprosthetic fractures of the acetabulum in THA using an elliptic cup design have no adverse impact on outcome.</i> Thomas Vincent Häller <i>et al.</i> . . . . .	299
<i>Comparison of fluoroscopy time in short and long cephalomedullary nailing for 31A2 intertrochanteric hip fractures.</i> Karthik Vishwanathan <i>et al.</i> . . . . .	305
<i>Outpatient total hip arthroplasty : the future?</i> Solange De Wouters <i>et al.</i> . . . . .	313
<i>The impact of direct oral anti-coagulants on hip fracture management : a systematic review and meta-analysis.</i> Samuel Holmes <i>et al.</i> . . . . .	321
<i>Dynamic trial fitting of the cup in press-fit total hip arthroplasty, a feasibility study.</i> Daniël Hoornenborg <i>et al.</i> . . . . .	327
<i>Acute femoral fracture does not compromise the outcome of total hip arthroplasty : 5 year results from a single center cohort study in 2,782 patients.</i> Stefan B.T. Bolder <i>et al.</i> . . . . .	332
<i>Incidence of avascular necrosis following biceps tenodesis during proximal humerus open reduction and internal fixation.</i> Kunal Mohan <i>et al.</i> . . . . .	339
<i>Knee mega-prosthesis in the management of complex knee fracture of the elderly : a case series and review of the literature.</i> Gautier Beckers <i>et al.</i> . . . . .	347
<i>Investigation of the relationship between trochlear morphology and medial patellar cartilage defect using magnetic resonance imaging.</i> Semra Duran <i>et al.</i> . . . . .	352
<i>Anatomic reconstruction of the medial collateral ligament in multi-ligaments knee injury using achilles allograft : a modification of Marx’s technique.</i> Hamidreza Yazdi <i>et al.</i> . . . . .	359

<i>Does anterolateral ligament injury change the treatment option in patients with partial ACL tears?</i> Burak Gunaydin <i>et al.</i> . . . . .	366
<i>Diagnostic value of routine pre-operative investigations used in combination in the diagnosis of periprosthetic joint infection.</i> Lucy C. Walker <i>et al.</i> . . . . .	374
