Volume 91 — Number 1 — March 2025

HIP

A comparison of acute versus inpatient hip fractures

C. Foxworthy, A. Hay-David, R. Houson, G. Holt 1

Internal fixation or hemiarthroplasty for undisplaced intracapsular hip fractures: a randomized trial

M.J. Parker, S. Cawley 7

Comparing femoral bone remodeling after total hip arthroplasty using collarless POLARSTEM for different Dorr types

Y. Tamura, N. Kaku, Y. Shibuta, T. Hosoyama, H. Tsumura 15

KNEE

The effect of visual stimulation on kinesiophobia level and functional outcomes after total knee arthroplasty in patients with high kinesiophobia

G.B. Sever, M. Mercan, L. Konukoğlu, Z.İ. Katirci Kirmaci, N. Ergun 23

Custom Total Knee Arthroplasty offers high precision in the coronal plane and a short learning curve: a retrospective cohort study

M. Jonkers, A. Ryckaert, T. Luyckx, H. Vermue 31

Case Report: Long Term Outcome of an Osteochondral Defect of the Knee treated with SaluCartilage™ Implant

A. Ruzicka, R. Arora, L.A. Holzer 39

SHOULDER AND ELBOW

The MusculoSkeletal Infection Society Diagnostic Criteria are Insufficient to Diagnose Shoulder Periprosthetic Infection: a retrospective study case and literature review

C. Kabore, M. Reda, X. Mahieu, T. Thirion 45

The effect of sagittal and rotational malalignment of distal humeral fractures on elbow mobility: a cadaveric study

W. Eerens, J. Duerinckx, L. Van Melkebeke, D. Mathijssen, L. Popleu, R. van Riet, P. Caekebeke 51

HAND AND WRIST

Influence of Preoperative Nerve Conduction Studies on the Outcome of Carpal Tunnel Release Surgery

P.S. Tan, S.Y. Tan, L.Y. Lee, J. Gunasagaran, S.S. Khoo, C.Y. Tan 61

Comparison of Costs and Energy Expenditure in Common Hand Surgery: Operating Theatre Versus Ward Procedure Room

A. Zyluk, J. Jablecki 71

Arthrodesis of Distal Interphalangeal Joints Using X-Fuse Implant: A Five-Year Retrospective Study of 64 Fingers

A. Renault, J. Maximen, M. Ebalard, G. Mevel, M. Ropars, T. Dreano 77

The efficacy of vein conduits on the healing of digital nerves

L. Ouhadi, V. Baudrez, J. Boquet 85

TRAUMA

External versus internal fixation of intra-articular distal radius fractures: a randomised controlled trial

M. Gupta, A. Goyal, R. Rohela, C.P. Pal 97

The reamed unlocked 316L stainless steel femoral Küntscher nail is breakage resistant

B. Morisho, B. Mulemangabo, M. Hoogmartens 113

PERIPHERAL NERVE

Neuroma of the infrapatellar branch of the saphenous nerve: surgical treatment technique and outcome

A. Timmerman, T. Denayer, P. Conte, F. Vanermen, P. Verdonk 117
