

ORIGINAL STUDIES

HIP

Radiological and clinical femoroacetabular impingement after slipped capital femoral epiphysis treated by in situ fixation

J. Fradet, C. Koneazny, C. Pfirrmann, A. Lalioui, L. Harper, A. Angelliuame 161

Outcomes of primary total hip arthroplasty in patients with Ehlers Danlos Syndromes

D.S. Bhachu, P.N. Unnikrishnan, J.P. Whittaker, S. Lewthwaite, N. Steele, C. Evans, G. Thomas, T. Okoro 167

Evaluation of iliac morphology and innominate bone rotation in unilateral developmental dysplasia of the hip

Y. Kitahara, N. Kaku, N. Sako, T. Hosoyama, H. Tsumura 171

The Relationship Between Patient-Reported Outcome Measures (PROMs) in Patients Undergoing Hip and Knee Joint Replacement Surgery and Social Deprivation on the Wirral

B. Gompels, N. Donnachie 179

KNEE

Digital Technology-Assisted "Z" Osteotomy lower limb corrective procedures

H. Ding, H. Yan, H. Zhu, K. Cheng, Y. Peng, Y. Wang, K. Liu 187

Medial patellofemoral ligament reconstruction with an extensor hallucis longus allograft: a retrospective study of 45 cases

J.M. Gómez-Palomo, I. Rodríguez-Delourme, J.J. García-Vera, S.S. Irizar-Jiménez, P. Huertas-Segador, E. Montañez-Heredia 195

Impact of implant design on the Forgotten Joint Score: A retrospective study comparing two contemporary knee designs

G. Peersman, C. Struijk, G. Delrue, S. Goes, B. Stuyts 205

Improvement and prognosis of anxiety and depression after total knee arthroplasty

Y. Dong, C. Cai, M. Liu, L. Liu, F. Zhou 211

Cost analysis of total knee arthroplasty surgeries in Turkey

H.F. SEVINÇ 217

SHOULDER AND ELBOW

3D quantitative CT study to assess rotator cuff muscle fatty infiltration

L. Deraedt, C. Diependaele, D. Cardon, A. Jalalijam, L. De Wilde, A. Van Tongel 221

Four-Screw Compression Plate Fixation for Diaphyseal Humerus Fractures

N. Kanneganti, A. Gao, R. Gupta, H. C. Sagi 229

HAND & WRIST

Gracilis muscle flap for reconstruction of extensive soft tissue damage to the palm

M. Gérin, S. Bgaert, N. Chahidi 233

Surgical repair of posttraumatic injuries of the scapholunate ligament: A literature study

J. Batselier, T. De Schepper, N. Hollevoet 239

Clinical Significance of Arthroscopic Debridement, Trapeziectomy, and Joint Replacement for Basilar Thumb Joint Arthritis: A Meta-analysis of Pain Score Improvements

K. Ghayyad, N. Sarli, N. Golovachev, A. Bachoura, D. Hirsch, A. Kachooei 253

FOOT

- Radiographic and complication evaluation of 2 different bioresorbable pins in hallux valgus corrective surgery
B. Vendeville, J. Hennequin, J. Cavailhès, A. Fresse, L. Galois 261
- Chronic regional pain syndrome following calcaneal fractures: what causes it and how may Vitamin C aid?
M. Kazez, M. Yalin, A. Agar 271

TRAUMA

- Given the encouraging results of biomechanical studies on femoral neck fractures, are locking plates safer?
S. Hancioglu, K. Gem, H.K. Tosyali, G. Okcu 279
- Soft tissue defect closure using an Ilizarov frame: a case series
J. Dauwe, E. Declerck, K. Verhulst, J. Lammens 287
- Evaluation of orthopaedic residents from SOCLE phase to osteosynthesis simulation: feedback from the AO course
L. Galois, J.C. Bel, J. Hemmer 293

TUMOR & INFECTION

- Epidemiology of bone tumors in children and adolescents: a retrospective study of 266 patients in the south of Tunisia
M. Zghal, R. Kallel, M. Bouhamed, O. Boudawara, C. Chaari, S. Charfi, M. Trigui, A. Boudawara 303

REVIEW

- Pharmacological prevention of arthrofibrosis: a systematic review
E. Rubens, F. Van Glabbeek, J.G. De Man, G. Peersman, B.Y. De Winter, G. Hubens, J. Michielsens, P. Plaeke 311
- Mesenchymal Stem Cell Injections for the Treatment of Osteoarthritis: A Systematic Review of Clinical Trials
M.Y. Fares, T.H. Shehade, M. Daher, P. Boufadel, J. Koa, JA. Abboud 319
- Perioperative systemic corticosteroids in primary unilateral total knee arthroplasty: a systematic review
J.C. Van Eegmond, F.W. Van de Graaf, C.D. Niehot, H. Verburg, N. Mathijssen 335

CASE REPORT

- Alkaptonuric Ochronosis: Skeletal Manifestations and Orthopaedic Treatment. A Case-based Review
K. Salem, A. Elmoghazy 343
- Fat embolism syndrome and massive middle cerebral artery occlusion: a case report
B. Wattiaux, M. Carlier, P. Vanacker, V. Remiche, G. Vanderweerden 349

HISTORY

- The history of skeletal trauma care: 5000 years of traumatology
W. De Groot 355
